

Driven Holiday Homes

Provide image sizes for all images for DHH Website

TenTwenty to share Google Maps API Key requirements

Change 'landlord' to property owner, because you can have 'landlady'

DDH to speak to CC Avenue about styling/emails

Property details in Dashboard

- ☐ In dashboard, when looking at detailed property the checkbox layout needs to be updated
- ☐ Amenities need to be updated

Property Booking

- ☐ Tourism fee is specific per property, it's better to have it manually done through the dashboard

Referrals

- ☐ How does the admin check who has been referred, or which codes were redeemed for example?

Property Search

Change placeholder text to be 'search by area name'
